SUMMARY:

Lantana Productions provides custom embroidered products to businesses and organizations who want to communicate their message visually, promote their image and reward their staff and clients. We are experts in embroidery and specialize in customized shirts, jackets, bags, caps and innovative ideas. Our work is done in house so we have quality control and quick turn-around.

CAPABILITIES:

We pair product with design so that our clients have the best possible presentation of their embroidered logo. Communication is the key. We will educate our clients about products and any special embroidery techniques that might add a special touch to the logo.

FACILITY AND EQUIPMENT:

TME906 Tajima Embroidery Equipment is top-of-the line:

- *Superior quality embroidery
- *Largest sewing field available
- *Ability to embroider 270* on a ball cap, a capability few other embroidery companies offer
- *Digitizers are the best in the field with fast and accurate turn-around

EXPERTISE and DIFFERENTIATORS:

- * We listen to our clients needs and desires.
- * Source the best garment for client's needs
- * Provide pre-production samples
- * 21 Years experience
- * Numerous long-standing relationships
- * Fashion Merchandising Degree
- * Knowledgeable staff in fabric technology and garment construction
- * Clients work directly with embroidery specialist, not a middle-man.
- * We can digitize a logo from any artwork format.
